### Professional Summary

**Full-Stack Web Developer** with **2 years of experience** building performant, user-focused web apps using **React, Node.js, Express.js** and **MySQL**. Delivered key **fintech features** like **configurable UI systems** and **advanced session management**. Strong in system design, modular architecture, and solving complex product challenges in high-paced environments.

### Technical Skills

**Languages:** JavaScript, TypeScript | **Frontend:** React.js, HTML, CSS | **Backend:** Node.js, Express.js | **Databases:** MongoDB, MySQL | **Tools:** Git, Github, VSCode, Postman, Figma | **Others:** REST APIs, Redux, Redux-toolkit, Chakra UI, Styled Components

### Work Experience

**Hyperface Technologies Pvt. Ltd.** 04/2024 – Present  
*Application Engineer - 2* Bangalore, Karnataka

- Led the **redesign of session management**, transitioning from account-level to **customer-level sessions**, enabling seamless account switching without login interruptions.
- Implemented session logic in **CBCC-PWA (Co-branded Credit Card)**, **IndusInd CardsHub** and **IndusInd Journeys** improving user experience and system efficiency.
- Abstracted and modularized the session management logic into a shared **NPM library**, promoting reuse and simplifying future maintenance across multiple applications.
- **Designed and implemented multi-card flow** in **CBCC-PWA**, allowing users to manage and switch between multiple co-branded credit cards with a unified, intuitive interface.

**Hyperface Technologies Pvt. Ltd.** 05/2023 – 03/2024  
*Application Engineer - 1* Bangalore, Karnataka

- Developed key frontend features for the company's **CBCC PWA, Onboarding PWA AND IndusInd CardsHub**, using **React.js, TypeScript, Node.js, Express.js**.
- Built dynamic UI components for: **Spend Analytics, Festive UI, Benefits Section** (CVP, Campaign, Merchant offers – each with distinct UI), **Rewards & Cashbacks, Nudges UI**
- Enabled a configurable UI system for **CBCC-PWA**, where teams can set: **Themes, UI Order, UI Version**, and **API Auth** – all controlled via a central dashboard.

### Education

**University of Mumbai** 07/2016 – 07/2019  
*Bachelor of Engineering (Mechanical Engineering)*

**Government Polytechnic Thane** 08/2013 – 07/2016  
*Diploma in Engineering (Mechanical Engineering)*

### Certifications

**Masai School** 08/2022 – 04/2023
